

# Masses

---

The **Mass** is the source of Divine Grace and God's gift to all. It is a praiseworthy custom for the faithful to have Masses offered for their intentions and for their loved ones, living and deceased.

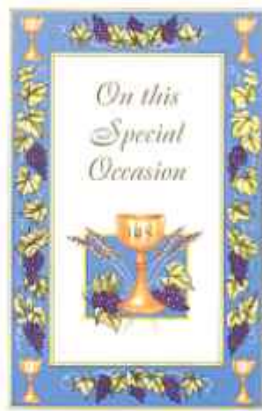

The **Mass Stipend** is \$10 per Mass, or free will offering. It represents a sign of the love and good will of the donor who shares concretely in our missionary work. Missionaries in many countries depend on these offerings.

Appropriate **cards** are also available for the Masses you offer (Selection and Choices vary from house to house). **Please contact by PHONE the Xaverian office nearest you (see below) for availability and \$\$ amount.**
