

The Missionary Shrine of Our Lady of Fatima Shrine

He Breathed on Them and Said to Them,
"Receive the Holy Spirit"

Every breath we take makes us Christ bearers, witnesses to the love of God in Jesus. With each breath we take, we have been commissioned and sent into this broken world to be Christ bearers of love – holy flames of light in the midst of darkness, in the midst of suffering and injustice. We stand, we see, we believe and we bear witness to the God that created the universe, to the Word who is Jesus and to the Spirit that moves across the waters and in us.

In our day-to-day lives, we put our hands on the wounds of this broken world, on our broken selves and our broken neighbor, but we are also witnesses to a hope that sustains us in knowing that we too will rise again.

We experience divine resuscitations, breathing with Jesus, restoring spirits and communities in ways we never would have expected.

New birth, new life, new hope are ours as a result of our faith in God. We rejoice in what God has in store for us. Our present struggle does not exhaust nor will it deter God's vision for our lives. This future comes moment by moment, and over the long-haul as companions in God unfolding world.

Whatever hunger and need we feel deep in our souls, God calls us to the table, feeds us well, and sends us out into the world to be love and truth, justice and peace, light and hope for the world.
